## UTILITY RATE CHANGES

After 14 years, water base rates will be going up \$1 per month. There is not an increase to the per thousand rates.

Sewer base rates are increasing by \$2 per month for all users and are billed per unit. Like the water rate, commercial users will be charged a flat base rate per unit, plus usage rather than a flat rate by customer type. If you see a change, it is directly related to your actual usage. You can find usage history in your [www.xpressbillpay.com](http://www.xpressbillpay.com) account.

Do our carwashes a favor and help conserve. If you finish washing early, turn off the water and let that last minute or two run off the clock.

## ANIMAL LICENSING CLINIC

Delta City has teamed up with Central Utah Animal Hospital to offer 1 stop vaccination and licensing on Saturday, June 12 from 10AM-noon at the fire station.
